Print Invoice on Pre-Printed Letter Head

Introduction

If user wants to print invoice on pre-printed letter head, Tally allows the same but Company Name and address is printed in invoice left side which is not required as we are having Company Name and address details in our Letter Head. This add-on allows the user to remove this part and print in a proper format.

<div style="border:1px solid">

Important!
As a best practice it is advisable to back up your company data

</div>
