Inactive Customer & Stock Item Report by Days

Introduction

This Add-on Displays the List of Inactive Customer & Stock Item Report by Days. User can select Ledger Group, Stock Group and Number of Inactive Days in Report. The Report is generated based on Current Date and Last Invoice Date of Customer and Stock Item.

Highlights

- Helps to find out Inactive Customers and Stock Items with Number of Inactive Days based on Last Generated Invoice.

Important!
As a best practice it is advisable to back up your company data

Installation

1) Copy the TCP file in Tally.ERP9 Folder.
2) Gateway of Tally → F12→ Product & Features → F4 (Manage Local TDL) → Select Yes in Load TDL on Start up and give the file name of TCP File. After pressing the Enter Key will show TDL Status which should be Active.

System requirements:
No additional hardware / software infrastructure is required for executing and operation this applications module

FAQ

Which version/releases of Tally.ERP 9 does the add-on support?

This add-on will work only with Tally ERP 9 Series A, release 5.1 onwards.

How will I get support for this add-on?

For any functional support requirements please do write to us on mail@aaplautomation.com or call us at +91-288-2713956/57/58 or +91-9023726215/16 / 9099908115/ 9825098442.

If I need some enhancement / changes to be incorporated for the add-on, whom should I contact?

Please to write to us on mail@aaplautomation.com with your additional requirements and we will revert to you in 24 hours.

Will new features added be available to us?

We offer one year availability of all support and new features free of cost. After one year, nominal subscription cost will be applicable to you to continue to get free support and updates.

What will happen after one year?

There is no fixed annual charge to be payable mandatory. However if any changes are required in our Add-On to make compatible with New Release of Tally.ERP9 then the modification Charges will be applied.

I am using a multi site. Can I use the same Add-on for all the sites?

No, one Add-on will work only for 1 site. You need to purchase again if you want to use the same Add-on for more sites.

I have upgraded to a new Tally.ERP 9 Release. What will happen?

Normally, the add-on will work fine without any glitches. If you face problems with the Add-on, you can contact us for support.

Product and Features Page shows errors with the Add-on, What do I do?

Check first if the error is because of the Add-on or because of clashes between 2 TDLs (An add-on is also a TDL). In case of clashes, disable one or more TDLs and check which TDL has error. If the Add-on has a problem, you can report it to us.

My Tally went into educational mode after installing the add-on. What do I do?

Go into **Gateway of Tally → Press F12 → Select Product and Features -> Press F4 and** remove the Add-on from the list and Restart Tally.
